B. DISCLOSURE REQUIREMENTS AS PER BURSA MALAYSIA SECURITIES BERHAD LISTING REQUIREMENTS.

1. Review of performance

For the year ended 31 December 2015, the Group achieved a revenue of RM253.2 million and a profit before taxation of RM26.8 million, an increase of 4.62% and 9.77% respectively, as compared to the previous financial year.

The increase in revenue and profit as compared to the previous financial year is mainly attributed to better product mix and better demand for higher end programmes.

2. Variation of results against preceding quarter

The Group recorded a lower profit before taxation for the quarter under review compared to the preceding quarter. The decrease is in line with the general trend where the third quarter results are normally stronger than the fourth quarter.

3. Prospects for 2016

The Group is cautiously optimistic of the prospects for this year given the economic uncertainties which are causing the market to be cautious as well. However, the Group sees the potential in the weakening of the Ringgit to attract more international students to our campuses. The Group has also widen its offerings to reach various segments of students as well as regions in which we operate. Given our broader marketing strategies and course offerings, the Group believes that our financial performance will continue to improve.
